

## CAROLE ATTOUNGBRE

HEAD OF SUSTAINABILITY AFRICA,  
BARRY CALLEBAUT GROUP

Carole Attoungbre currently serves as the Head of Sustainability for the Africa Region at Barry Callebaut.

Based in Abidjan (Côte d'Ivoire), her role involves leading the implementation of sustainability programs in Côte d'Ivoire, Ghana, Cameroon, and Nigeria.

This entails overseeing the operations, ensuring the alignment of our programs with our Forever Chocolate strategy and coordinating the liaison with the global team.

Carole has over ten years of experience in strategy, international trade, and development, working at the interface of the private sector, governments, and international organizations.

Prior to Barry Callebaut, Carole's most recent experiences include serving as the Country Director for the UK Department for International Trade (DIT) and leading the operations for the Dutch foundation IDH in Côte d'Ivoire.
